

## Question & Answer

### **The City of Dilley will hold a special election to determine whether to sell the natural gas utility system**

Here is some general  
information regarding the  
natural gas system

#### **Why is the City of Dilley considering of selling**

Factors to consider :

- \*Decrease in customer base
- \*Increase costs of regulation
- \*Expenses exceed revenues

#### **If voters approve, how many customers may be affected with the sale of the system**

Residential customers 228  
&  
Commercial customers 33

#### **Why must the City of Dilley have a Special Election to sell the gas system**

The City has to hold an election  
before it is legally allowed. If  
majority of the community votes  
to approve, it becomes legal after  
the election results are canvassed.

#### **If the Election passes, what will happen**

The City can proceed to sell.  
The gas system will be sold to  
the highest bidder.
